

Heritage Square Trust is proud to announce the second annual Kids Squared on Heritage Square. Kids Squared is a free, fun and educational program for children ranging from 2-14. Our events will take place every week Monday through Friday (excepting holidays) from 10-11am. Some programs will be more appropriate for younger children and some for older, so please read the event description to decide if the event will be right for your child. All events are weather dependent.
